BEAR TRACKS MORNING PROGRAM

Washington University Nursery School

NEWSLETTER #2 BY BRENDON

Our last newsletter of the year features Brendon's photos from two recent walking field trips. The first was to Frances Field, home to the track and field events at the 1904 Summer Olympics. The second was to the other side of Danforth's campus. Brendon had fun capturing images of what interested him. Happy summer adventuring, Brendon!

~Ms. Colleen
