

DECEMBER 2019

TEDDY BEAR NEWS

WASHINGTON UNIVERSITY NURSERY SCHOOL

HIBERNATION

Miss Becky talked to our class about animals that hibernate in the winter. Winter can be hard for animals to stay warm or find food to eat. Hibernators include groundhogs, bats, reptiles, amphibians, and some insects. We got to see an actual snake, frog, and toad. We even learned a little song:

Hibernation, Time for hibernation. 🎵

Hibernation, Time to go to sleep.

PAJAMAS & PANCAKES

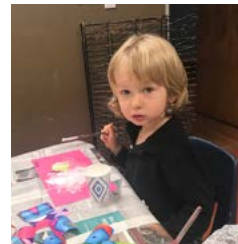

Last Friday we had a fun morning wearing our pajamas to school. For snack we made buttermilk pancakes and enjoyed them with syrup! Even the teacher and teacher helpers wore their pajamas! We love our Teddy Bears!

HOLIDAYS

Our class has been very busy talking about special traditions that take place this time of year. Miss Maisie helped us bake yummy chocolate chip bread to surprise our families. We also enjoyed her banana carrot bread recipe. Carrot peeling is so much fun! We have also been creating festive artwork: wrapping paper collages, puffy painted pinecones, cookie cutter paintings, sparkly snowflakes with our faces, and we painted a tree branch and added glitter to decorate our room. Boden's Mom shared their Hanuakkah traditions and gave each of us a piece of gelt. What a wonderful time of year!

Looking Ahead...

January 6 - Teacher Work Day

January 7 - First Day of School 2020

January 20 - No School
Dr. Martin Luther King, Jr. Day

February 6 - WUNS Family Night at the Magic House from 6 - 8 p.m.

Hope you have a wonderful holiday and Happy New Year!
